

COW DOG POTTERY

BY: GINA SATINOVER

Gina Satinover sells her pottery from her home in Dripping Springs. Each piece is sculpted entirely by hand without the use of a wheel. The distinctive grey matt finish of Gina's beautiful pottery is achieved by mixing red and white clay. When it is fired the red clay turns to gray. "Each piece," says Gina, "is made with love."

Gina has provided her bowls for the Dripping Springs Empty Bowls Project for the past three years. It's always a delight to have Gina at the event. Her bowls are a favorite of Empty Bowls Project patrons.

Many thanks to Gina for her contributions to the Empty Bowls Project and we look forward to welcoming her back to our event in 2021!
