

# ALEX DORMONT AND THE HOT TEXAS

For over 20 years, Alex Dormont and the Hot Texas Swing Band have been popular entertainers at the Empty Bowls Project. With this band in attendance, it is always a guarantee that the Empty Bowls Project event will be lively.

Alex is proud to play Western Swing, the official State Music of Texas, with his band. He takes particular joy in the musical expressions it offers, as well as his collaboration with other musicians.

It's no surprise that the Hot Texas Swing Band enjoys playing at Texas dancehalls, including Mercer Street, Twin Sisters, and Gruene Hall. If you've heard Alex and his band perform, you know they love Western Swing and they do it well!

It's hard to choose a favorite song, but Alex would probably pick Miles and Miles of Texas or Deep in the Heart of Texas, since both songs are happy tunes that touch the hearts of everyone who hears them. This fall the band will be recording their fifth album, which will include new songs that Alex has recently written.

We give our heartfelt thanks to Alex and the Hot Texas Swing Band for the many years they have performed for the Empty Bowls Project. We are looking forward to seeing them again in 2021!
